STAGGERS HOME
BADLY INJURED

Kentucky Lad Had Been Kidnaped and Escaped With Fractured Skull.

Enmity Back of The Crime Declares Father of Injured Boy

(By Associated Press)

Danville, Ky., April 17.—William H. Trimble, aged 7, who was kidnaped from his home near here last night, staggered into his home at 6 o'clock this morning with a fractured skull and was removed at once to the county hospital. He is in a serious condition.

When he reached home, he was in a semi-conscious condition, and for a time could make no statement. Finally, he made known that he had been seized by a negro and a white man when returning from a neighbor's home. He was carried into a cornfield and badly beaten.

This morning, when he came to, he was in an old barn. The father of the lad stated today that he believed enmity actuated the deed, declaring he had had trouble with people mean enough to commit the act.

Swing Back to Work Gaining In Momentum as Ultimatum Is Effective.

Increased Amount of Traffic Handled in Most Rail Centers.

(By Associated Press)

New York, April 17.—Speedy termination of the transportation tie-up wrought by the unauthorized strikes of railroad workers throughout the country seemed assured today.

Switchmen, yardmen and other employees of the Pennsylvania, Reading and Baltimore & Ohio lines in the Philadelphia district, which was one of the eastern strongholds of the strike, were returning to work today under orders of their strike leaders.

William Taylor, chief of the Pennsylvania State Bureau of Mediation, who effected the settlement there, said the order to return to work would affect strikers on all lines between Boston and Washington, including those in the New York district, as the Pennsylvania strike committee had been authorized to negotiate for all strikers in the East.

The Philadelphia settlement was effected on the basis of a promise from Pennsylvania and B. & O. officials that returning strikers would be permitted to retain their seniority ranking and would be free from all discrimination because of their having struck.

Strikers at Baltimore and other eastern strongholds also were rapidly returning today. In the New York district, railroad officials declared the men were returning rapidly. Whether this was due to the reported all-inclusive Philadelphia settlement or to the ultimatum of New York railroad managers, calling on the men to return today or lose their ranking, was not clear.

Reports from all sections of the country indicated that the swing back to work was fast gaining momentum. This was reflected both in the increased amounts of traffic handled by the lines and the loss of enthusiasm for the strike apparent in the attitude of many of the strikers.

LITTLE CHANGE
AT COLUMBUS

(By Associated Press)

Columbus, O., April 17.—Today marked the beginning of the second week of the strike of railroad switchmen in Columbus, with little change in the situation.

Although a few of the older employees returned to work, the great majority declared they are determined to remain on strike until recognized by the railroad managers.

AS MEMBERS OF RAILROAD LABOR BOARD
THESE MEN WILL HELP SETTLE STRIKE

Above: James J. Forrester (left) and Henry Hunt. Below: G. W. W. Hanger.

Here are three of the men who as members of the railroad labor board, recently appointed by President Wilson, will help settle the great strike which is tearing transportation in various parts of the country. J. J. Forrester, of Ohio, a member of the employees' group, is president of the Brotherhood of Railway and Steamship Clerks, Freight Handlers, Express and Station Employees. G. W. W. Hanger, of the District of Columbia, is assistant commissioner of the U. S. board of conciliation and

Henry Hunt, former Mayor of New York, is representative of the public on the newly appointed board.

Offer to Return When Formally Assured of No Discrimination

(By Associated Press)

Toledo, O., April 17.—About 200 switchmen had returned to work in the New York Central yards today and the freight tie-up due to the strike was beginning to break.

Representatives of the switchmen said the majority would not return on all lines until they had received formal assurance from the roads that there would be no discrimination and that wage demands would be speedily considered.

The Overland Automobile Company and other concerns were preparing today to return to a normal basis.

MAKE OFFER
TO BEGIN WORK
IF RECOGNIZED

(By Associated Press)

Cleveland, O., April 17.—Striking Cleveland yardmen today sent to the Railroad Labor Board an offer to return to work at once, even if it was necessary to revise their wage demands, if their new organization were given recognition by the government.

With expectation of the New York Central and Erie yards all Cleveland terminals were practically tied up today.

GROWING

(By Associated Press)

New York, April 16.—Thousands of recruits in New York flocked today to the standard of "General Overall," whose march against guerilla forces of the high cost of clothing, stated recently in the south, gained strength in the West and now has reached the East for decisive battle.

The blue denim brigade, which had its inception here among members of the Cheese Club of dramatic press agents, critics and theatrical writers obtained reinforcements today when 5,000 DeWitt Clinton High School students voted to wear khaki overalls.

Columbia University endorse the movement. Boys of the Jamaica High School voted to wear khaki on all occasions. The Bronx Business Men's Club and the Women's Civic Federation promise support.

Reinforcements also have been promised by the rotary clubs of New York and New Jersey.

(By Associated Press)

Washington, April 17.—Senator Knox, republican, of Pennsylvania, told the Senate today he was informed the State Department had refused the request of Mexican officers for a permit to transport troops through American territory to move against the anti-Carranza forces in Sonora. Senator Knox stated later privately that he had taken his information from the New York Sun which said the American government "will not grant permission" for the transporting of Mexican troops across United States territory.

An hour before the Senate met the State Department announced the Mexican request which had come from army officers, had been referred to the War Department.

VOTERS AT POLLS FOR BOND ISSUE

The four precincts forming the Bloomingburg school district Saturday voted on the issuance of \$50,000 in bonds.

The polls were thrown open at 5:30 a. m. to remain open until 5:30 p. m. It was expected that a heavy vote would be cast. Upwards of three hundred voters is the voting strength of the Bloomingburg district.

Interest in the issuance of the bonds for the purpose of making an addition to the Bloomingburg High School was high and the improvement has created discussion all over Fayette county.

It was announced by County Superintendent of schools O. S. Nelson that the results of the voting might possibly be known in an hour after the polls were closed.

HOUSTON LAND MAY BE SOLD

Some 4,000 acres of the 11,000 acres of land owned by the Houston Land Company in Madison and Clark counties, may change hands within the next few days at about 300 per acre, or a total of \$1,200,000 for the land.

Negotiations have been under way for the past few days, and Richard S. Woodrow, of Toledo, is the prospective buyer.

The Houston lands are known far and near for their fertility and the profit-sharing arrangement with the tenants. Every farm is numbered and the name and number indicated by a large arch over the main gateways.

COUNTY AGENT UPHOLDS HOOVER

Writing in the current issue of the Leeburg Citizen, the Highland County Farm Agent mentions Herbert Hoover and his connection with the farmers of America, as follows:

"Every farmer should read what Herbert Hoover has to say in his article in the last issue of the 'Country Gentleman' or 'Saturday Evening Post' on 'Some Notes on Agricultural Readjustment and the High Cost of Living.' While it is true that many farmers believe that they received an unfair deal at the hands of the Food Administration, there is no doubt that Mr. Hoover understands the world food situation better than any living man and he states facts and draws conclusions in his article which can not be disputed and which we must all understand before we can solve our marketing problems. We are asking the publishers to send copies of this article to the chairmen of the Roads & Marketing Committees in each township so that you all may have a chance to read it."

DANCED AROUND YANK VOLCANO

Brest, April 17.—Young persons of this city, who have been enjoying dances at one of the large American barracks near town, recently were apprised of the fact that they were literally "dancing upon a volcano." The building was deserted after American forces departed for home, but they left behind them along the walls a large number of cases. On the boxes were words in English, but the dancers not understanding that language did not know the words were "Dynamite," "Lyddite," "Gu Cotton" and "Detonators." Police officials who entered the building recently found the floor covered with cigarette butts, stubs of cigars and empty bottles.

FAYETTE LODGE F. A. M. BANQUETS AND HOLDS ANNUAL INSPECTION

Following a year of exceptional activity and interest in Fayette Lodge No. 107 F. and A. M., the annual inspection was held Friday night, with the inspecting officer, District Inspector Nelson R. Houston, of Circleville. The inspection and accompanying supper followed 2 days of work in which the Master Mason degree was conferred upon nine candidates.

The work throughout was notably well done under the direction of Worthington Master W. H. Hay and the congratulations upon both the work and the flourishing condition of the lodge, and its large membership were heartily bestowed by the inspector.

The Master Mason degree was conferred upon Messrs. C. P. Ballard, Herbert D. Cockerill, Paul Carman, William Burnett Hyer, Dave W. Fernau, Jasper H. Blackmore, Frank Thornton, Herbert Pierce and Ralph Strobel. There was also one apprentice candidate.

A brilliant and most delightful introduction to the lodge work of Friday evening was the supper, served by Royal Chapter, No. 29, Eastern Star, at six o'clock.

A hundred and sixty Blue Lodge Masons were seated at long tables, beautifully decorated with daffodils and greenery in tasteful arrangement in baskets and vases. The two course menu served catered to the inner man in its delicious viands and the atmosphere was one of fraternal pleasure and spontaneous good fellowship.

The women of the Eastern Star are experts in the art of serving appetizing suppers and it is very gratifying to Masons to have this order, so linked with their own in capable management at their feasts.

Mrs. Annette Rowe was in charge of the dining room and Mrs. Martha Mark of the kitchen the women of the chapter serving.

MRS. WM. A. HOWLAND ANSWERS LAST CALL

Although for several years Mrs. William A. Howland, had been in failing health, the seriousness of her condition had not been generally realized and many friends were shocked and grieved to learn of her death which occurred at half past four o'clock on Saturday morning at her home in Bloomingburg.

Surviving with the husband is one son, Dr. Harmon Howland, of Warren, who visited with his mother during the past fortnight; Mrs. Maude Howland is a daughter-in-law.

The family have the warm sympathy of the community in their sorrow. Funeral announcements will be made later.

Where Do You Stand?

THERE IS A GREAT DEMAND IN BUSINESS FOR EFFICIENCY; HIGH EFFICIENCY MEANS PERFECT HEALTH.

Are you physically equal to your obligations and opportunities?

Do you begin each day with abundant vitality and a clear, vigorous mind, with real courage and self-confidence? If not, you need to take an inventory.

Examinations by the Life Extension Institute of New York of several thousand men show about seventy-five per cent defective. The examinations of the United States army also show a very large percentage of defectives. The death rate between forty and sixty years of age is increasing in this country at the rate of about eighteen per cent per year.

These are serious and alarming facts, and there must be some fundamental cause.

WHERE DO YOU STAND? Why not have an inventory of your health, and learn where you stand? Every successful business has an inventory at least once a year to determine the financial condition of the business. How much more important that each individual should have an inventory at least once a year to determine his health. Can you afford to neglect this?

The United States Census report and other investigations prove that on an average about three million people are sick in the United States at any given time, and that the loss which they sustain on account of this sickness is on the average \$500 each; therefore the total loss due to sickness reaches an enormous figure.

How soon will you be on the sick list? From the standpoint of economy and efficiency, can you afford to wait until then?

THE HEALTH INVENTORY IS JUST AS IMPORTANT AS THE FINANCIAL INVENTORY AND MANY SUCCESSFUL MEN OF TODAY REALIZE THIS FACT.

Let your Chiropractors help you take Health Inventory. Many Fayette County Folks have found Health through CHIROPRACTIC.

The Menace of Strikes

Not long ago men formed gigantic organizations and set themselves up above the law and proceeded to enforce their plan for getting money from the people by rules all their own. For a time they had things all their own way but the American public refused to be what one of their associates said it should be. That public endured wrongs at the hands of trusts and monopolies, hoping against hope for a change for the better until forbearance ceased to be a virtue and the stern demand for self preservation compelled action.

The laws forbidding combinations in restraint of trade, the assumption of regulatory control over public utilities, the great transportation lines and the like, which had passed into the control of those who were leagued together to plunder the public, were the result.

The giant monopolies crumbled to pieces and the people resumed the control of their own affairs of which they had been deprived.

At that time the effort was to protect the workers against unjust extortion but the vision of those who righted the wrongs of that day seems not to have discerned the menace of combinations of workers.

That condition has come to pass. The people must now be protected from unjust combinations among those whose rights they sought to preserve only a few short years ago.

Combinations and conspiracies against the people are no more just among laborers than they are among capitalists and financiers. Both are rebellions against the government.

If present "anti trust" laws do not include laborers they must be amended, if they do they must be enforced.

Labor is no more above the law or the public welfare, if there is no law on the subject of strikes, than is capital. Both must serve the public and be amenable to the laws of the nation and the need of the people.

Strikes and organizations of a few to compel obedience to their arbitrary demands by bludgeoning the many must be brought to an end. The great American public refuses to be crushed by labor just as it refused to be by capital.

A Real Danger

The inability of farmers to obtain workers who are willing to forsake the turmoil and confusion of the crowded cities for the life of peace and plenty on the farm and the resulting tendency among land owners and practical farmers to move to the cities and towns, discouraged with the struggle of intensive farming, even as we use that term hereabouts, threatens to bring about a real shortage of foodstuffs at the source.

We have had our attention so completely monopolized with claimed shortages of manufactured articles and foodstuffs that come to us after passing through jobbers and wholesalers and other, more or less mysterious go-betweens, that we have not noticed the real menace at our own door.

The only hope of averting the danger of real shortage in the farming districts as it is elsewhere, is for people to work. As long as people refuse to work the land will not produce and farmers will be forced to allow it to lie idle.

Predicts A Cool Summer

One of our good friends, who is not in the habit of making sensational statements, a man who is, and has been for years, a close and intelligent student of weather conditions and movements of the heavenly bodies, states that we need not be surprised if the spring and summer are unusually cool.

He calls attention to the fact that the line-up of the planets which furnished the basis for the sensational prophecies that the world was coming to an end on November 17th last will, in all probability result in pulling the sun farther away from the earth—several millions of miles farther away. Consequently the sun's rays will be much longer and very much more deflected from a direct line and cooler weather is likely all summer.

He is not willing yet to join in the extreme prediction that we will have winter weather all during the summer, but thinks it probable that the temperatures may be so far below normal that crop shortages may result.

With all our other troubles we did not think the sun too would get out of line.

POETRY FOR TODAY

MY GARDEN

When spring comes smiling through the wood
I love to take my trusty hoe
And in a mild, Arcadian mood
Go out and make my garden grow.
No finer outdoor sport I know.
Nor one that offers greater wealth.
A calm content it does bestow,
And that rare fruit of perfect health.

A partnership with the Divine
I feel in all I plant or sow.
The care and delving must be mine
And God will make the flowers grow
And fruits to ripen in the row.
But more than Nature's kind increase
From out my happy labors flow;
More than all that, heart-ease and peace.

Too oft in barter and in trade
Our gain another's loss must show.
But what is in my garden made
Is never through my brother's woe.
I feel the kind and easy glow
Of one whose time is wisely spent:
Like busy bees the hours go
To bring the honey of content.

L'envoi
My garden, unto you I owe
My spirit's wider range and scope
That causes in my heart to grow
A higher faith, a nobler hope.
—Thomas Lomax Hunter.

Lesson in Optometry

LESSON TWO.

The last lesson spoke of increased efficiency as the result of improved vision. Explain.

By overcoming the optical defects by the use of glasses eye strain with all its undesirable results is eliminated, with the benefits described.

Who should be entrusted with the duty of determining optical defects?

An Optometrist.

What is the most important duty an Optometrist performs?

Refracting the eyes.

What is meant by refracting?

Measuring the character and extent of the defects of vision.

Is an Optometrist entitled to charge for this service?

Yes, as his ability to perform this duty accurately is his most valuable asset.

RANDOM NOTES

SOCIAL : PERSONAL MENTION : CLUBS

Miss Elizabeth Stutson fourteen year old daughter of Mr. and Mrs. Willis Stutson, Chicago, former residents of this city, has the distinction of having her composition on "The Advantages of Enlistment in United States Army"—selected as the best in the school, which she attends.

This contest was held in the public schools all over the United States. The prize compositions were all sent to Washington D. C., where the grand prize winner will be chosen.

The school, which Miss Stutson attends has an enrollment of five hundred pupils.

Miss Stutson frequently visits her aunts, Mrs. Alice Carl and Mrs. Joe S. Wilson, in this city and retains the interest of both young and older friends.

Mrs. George Pabb charmingly filled the role of hostess to the Thursday Luncheon Bridge Club at her home near town Friday afternoon.

A particularly tempting collation was served at the close of a spirited game.

The girls of Mrs. Harry Rodecker's Sunday School class of Grace M. E. Church with their teacher had a jolly little indoor picnic in the church basement Friday evening.

After two months' serious illness Miss Opal Williams was able to spend Saturday in bed, to resume her studies at the Washington Morrey School of Business.

Dr. J. J. Borton, of America's greatest heart specialists, having spent two weeks in Washington studying under Marie Prentiss and the renowned Theodore Leschke, she has done extensive concert work in both Europe and America and has gained wide spread recognition as a concert pianist of magnificent powers and transcendent temperamental gifts.

Miss Walker has completed the Leitchy method since she was registered in the (1) school last September, but being possessor of unusual talent will continue pianoforte study with Mrs. Morrey.

The Annual meeting of Chillicothe Presbyterian which convened in the Concord Presbyterian church Thursday night and all day Friday was a most successful one, with splendid reports and good speakers. It was presided over by Mrs. Q. K. Kinkaid, of Bloomington who succeeded to office of president following the resignation of the president, Mrs. E. W.

Patterson, formerly of Greenfield, now of Wellston, a few months ago. Fine addresses were made by representatives of the Boards, Mrs. Aldrich, of the Home Board, and Mrs. Graham, of the Foreign—both very pleasing speakers.

Mrs. Anna Welsh, Treasurer reported a total of \$5,626, as the Presbyterians' contribution this year to Home and Foreign work, Freedman and the New Era Movement.

Several changes were made in the Official Board for the coming year. Several Fayette County women are represented on it—Mrs. Kinkaid, of Bloomington, President; Mrs. G. M. Ustick, of this city, First Vice President; Mrs. Austin F. Hopkins, of this city Home Secretary; Mrs. Kearns-Preston, of Bloomington, Educational Secretary; Miss Anna Welsh was re-elected to the office of Treasurer after thirty one years of service of such efficiency that it has been the marvel of the societies enrolled in the Presbyterian.

The Concord women served a wonderful noon dinner in their church, picturesquely located in the hills of Ross County.

Next year's meeting will be held in Greenfield.

Mr. Orville J. Borton, of Draper street was given an enjoyable surprise Thursday evening by relatives and friends in honor of his twenty-sixth birthday. There were about thirty guests present and a most delicious supper was served.

The assisting hostesses were: Mrs. Ed Borton and daughter Thelma and Mrs. John Ridgeway, of Springfield, Ohio, and Mr. M. J. DeVine, of Columbus Ohio and Mr. C. F. Bonham of this city also aided in arranging the surprise.

The political tea is said to be the latest campaigning novelty in New York and of course other cities will follow suit.

This method of socializing the vote is becoming almost as popular among women as the treating method formerly.

Tea is provided by the hostesses and talk by men and women important in public life.

The first appearance in force of tea table tactics in aid of political candidates was at the convention of the National Suffrage organization in Chicago when this body went out of office of president following the resignation of the president, Mrs. E. W.

She was a red cheeked English girl, who had come to America to stay—so she told the little man in the phonograph shop.

"I've only been here ten days, you know," she explained, "and I'm afraid this American slang of yours will be hard for me to catch on to, eh?"

"So I thought I would like to buy some of these graphophone records of yours, do you see?—some with the newest slang on them, to help me in being—what do they say?—oh a hundred per cent American!"

The little man cranked up a high powered music machine and put on the latest Winter Garden hit. The damsel from Albion frowned thoughtfully while its strains blared forth.

Was the slang to complicated for her the woman wondered.

"Can that," came the answer, in creamy English accents.

"What?" gasped the little phonograph man.

"I said you could can that," reiterated the English girl.

The machine stopped with a click. The phonograph man mopped his brow. "Ten days in America!" he muttered. "Lady—believe me—you don't need any records!"—New York Sun.

Mrs. Elizabeth Judy has gone to Chillicothe for a weeks visit with her son, Mr. Steward Judy and family.

Mr. Will N. Hay made a business trip to Dayton Saturday.

Miss Helen Fultz, of Jeffersonville, was a shopping visitor here Saturday.

Miss Vera Veal leaves Sunday for Chicago to spend the spring vacation with her sister, Miss Gertrude Veal.

Mr. Calvin Holmes, who is on his spring trip in Indiana for the P. H. Hagerty Shoe Co., came home to spend Sunday with Mrs. Holmes.

Miss Jean K. Fitzgerald, of Columbus, is the guest of Miss Carrie Willis until Sunday. Miss Fitzgerald has resigned her position as teacher in the Gallop High School and accepted a more advantageous position as instructor in Physical Education at the Roosevelt School in Columbus.

Mr. and Mrs. Ed. Haye were down from Columbus, Saturday spending the day with their daughter, Miss Georgiabel.

Mrs. Katherine Nesbit, of Dayton, and Miss Evelyn McGiven of Xenia are visiting their sister, Mrs. Ethyl McElwain and family.

Mrs. Mary Cockerill is spending the week end in Dayton with her son, Mr. Earl Cockerill and family.

Mrs. Roy Sollars spent Friday in Columbus.

Miss Carrie Willis leaves Sunday morning for the University of Michigan at Ann Arbor, Mich., after spending the Spring vacation with her mother, Mrs. Carrie B. Willis.

Mr. Raymond Dawson came up from Cincinnati, Saturday to be the guest of Mr. T. H. Craig, Jr., over Sunday.

Mrs. Josephine Kerr who has been visiting her daughters, Mrs. John Zolinger in Piqua, and Mrs. W. J. Galvin in Lima, also her son, Lt. R. K. Kerr in Lima, returned Saturday.

Elizabeth Fite went to Columbus, Saturday morning, to spend the week end with her aunt, Miss Lavin Cockerill, and to attend the theater.

Mrs. Alfred Brown and daughter, Miriam, are spending a few days in Columbus.

Mr. Frank Wright motored over from Lancaster to spend Friday with his aunt, Mrs. Joseph N. Willson.

Mr. E. A. Ellies has returned from a business trip to Washington D. C.

Miss Helen Alden went to her home in Utica, Saturday, to spend Sunday.

Miss Mary Weaver spent Saturday in Columbus.

Mrs. Emory Maddox and Mrs. Thomas S. Maddox are spending the week end in Circleville the guests of Mr. and Mrs. N. H. Land. Mr. Emory Maddox joined them Saturday.

Miss Geneva McCoy of Bloomington spent Saturday with Miss Lydia Grace Wissler, of West Paint street.

Mr. Albert Haigler returned Saturday morning from Jacksonville, Fla., where he spent the winter.

Mrs. Vernon J. Schwallie came up from Chillicothe Saturday, to spend several days with her sister, Miss Ruth Kelly, and grandmother, Mrs. Lucy Sylvester.

LOCAL PITCHER BEATS GEORGETOWN

With Howard Gregg in the pitchers box, Miami University easily beat Georgetown University, Thursday, when "Gregg" held the visitors to two scattered hits and won handily, 6 to 1.

Besides the feat of holding the slugging Georgetown crew to two small bingles at widely separated times in the game, Gregg issued but one pass.

COMING WEDDING OF VANDERBILT JR. INTERESTS "400"

Miss Rachael Littleton and Cornelius Vanderbilt, Jr.

The marriage of Cornelius Vanderbilt, Jr., heir to the Vanderbilt millions, and Miss Rachael Littleton, sister of Martin W. Littleton, on April 29 will be the most important social event of the year to the "400." The wedding will be held at St. Thomas' church, New York. Littleton is a well known lawyer and former congressman.

He was also good for two safe hits out of two chances at the plate.

It was one of the local athlete's first chances in the box this season. During the season he has been playing first base and has always been in the lineup because of his hitting ability.

During his amateur days on the sandlots in this city "Gregg" was a terror to all opposing batsmen and showed real ability as a left hander of promise.

Gregg is the son of Mr. and Mrs. George Gregg of this city.

REPUBLICANS MEET GEORGE H. CLARK FOR CONFERENCE

More than half a hundred members of the Fayette County Republican Central Executive and Advisory Committees, lunched at the Hotel Cherry Saturday noon to meet George H. Clark, Representative of the State Advisory Committee.

Mr. Clark was in this city getting in touch with Republicans on organization work for the approaching presidential campaign.

Different phases of organization were taken up and the meeting lasted well into the afternoon.

Mr. Clark came to this city from Wilmington where he met groups of Republicans on the same mission.

ILER FORD LAID TO REST FRIDAY

Last services for Iler Ford, son of Mr. and Mrs. Chester Ford, were held Friday afternoon amid a large concourse of relatives and friends, who, shocked by the untimely death, shared with the bereaved family in final tribute.

Rev. G. E. Grove, held simple services at the Christian Church. He spoke of the family connections and of the esteem in which the young man was held by his many friends.

The terrible manner in which he met death on last Tuesday evening when he was struck by a passenger train was recounted by the minister.

Miss Mable Jones and Mrs. Herbert Campbell sang "Somewhere" and "My Father Knows."

Of deep sympathy were the services conducted at the church and grave by the fraternal affiliations, J. O. U. R. A. M., which attended the funeral in a body. Counselor J. W. Armstrong, assisted by Rev. McKinney, of Jeffersonville, had charge.

The D. of A. conducted their simple but beautiful services on Thursday evening at the home on McElwain street.

MAN IS FINED FOR CRUELTY

Roscoe Haner, residing near Jeffersonville, faced Mayor V. J. Dahl, Saturday morning, on an affidavit filed by Humane Officer G. C. Gooderl, charging Haner with cruelty to animals, and upon entering a plea of guilty to the charge, was fined \$10 and the costs.

Haner, according to evidence submitted, rode into this city Friday evening and tied his horse to a hitch rack, leaving it stand all night while he called upon a woman in this city.

The animal stood throughout the night with no protection from the rain and cold, being discovered about 7:30 Saturday morning and was taken in charge by the police.

Other charges may grow out of Haner's visit to this city. It was hinted at the Mayor's office.

TO PROSECUTE PROFITEERS IN PAPER BUSINESS

Washington, April 17.—A resolution directing Attorney General Palmer to conduct an investigation of the news-print paper shortage and to open prosecutions of profiteers was ready Friday for introduction into the House. Chairman Porter of the House Foreign Affairs committee announced that a hearing will be held April 26 regarding restrictions placed on exportation of pulp wood from Canada to the United States.

"OVERALL CLUB" NOT ORGANIZED IN WASHINGTON

Saturday morning reports spread over the city that a couple of local men had started a movement for an "overall club" in this city and had upward of 100 members who had agreed to wear overalls in accordance with the movement which originated in Tampa, Florida, on Easter as protest against high clothing costs there.

DUCEY LOCATES IN WILMINGTON

Red Ducey, hero of the World War and crowned with glory for his many acts of heroism during the big fray across the Atlantic, was in this city one day this week, and declared his intention of coming here to make his home. He went over with the Fifth Marines and with various departments of the army served valiantly, so much so that on his arrival home in Washington he was received as a hero, and feted by his friends from all over the county. He was overseas 25 months and one day. He plans to take a place in the Auto Compressor Co.'s plant here, he states, and will make Wilmington his home.—Wilmington News.

STOVE EXPLODES BURNS ARE FATAL

Frank Tomlinson, 25, tenant on the Reed Chrisman farm now owned by Schryver and Cowan, south of London, is dead as result of an explosion which resulted when he attempted to fill an oil stove with gasoline which he mistook for kerosene.

The stove was blown to atoms and the burning fluid drenched the man's clothing so that he was soon unconscious and died a few hours later.

The deceased leaves a wife and a three year old son. The deceased was a son of Mr. and Mrs. Jacob Tomlinson, residing in West Virginia.

TAX RETURNS ARE ROLLING IN

Tax returns are rolling into the County Auditor's office by every mail and a great many persons are bringing their returns in instead of sending them by mail.

The number of persons requiring assistance in filling out their blank has shown a marked decrease since last year, and the office of the Auditor is not as busy a place as usual at tax returns time.

FAINTING AND DIZZY SPELLS

The Cause of such Symptoms and Remedy Told in This Letter.

Syracuse, N. Y.—"When I commenced the Change of Life I was poorly, had no appetite and had fainting spells. I suffered for two or three years before I began taking Lydia E. Pinkham's Vegetable Compound and the Liver Pills which I saw advertised in the papers and in your little books. I took about twelve bottles of your Vegetable Compound and found it a wonderful remedy. I commenced to pick up at once and my suffering was relieved. I have told others about your medicine and know of some who have taken it. I am glad to help others all I can."—Mrs. R. E. Dugan, 437 W. Lafayette Ave., Syracuse, N. Y.

While Change of Life is a most critical period of a woman's existence, the annoying symptoms which accompany it may be controlled, and normal health restored by the timely use of Lydia E. Pinkham's Vegetable Compound. Moreover, this reliable remedy contains no narcotics or harmful drugs and owes its efficacy to the medicinal extracts of the native roots and herbs which it contains.

SUNDAY MEETINGS ARE DISCONTINUED

Sunday afternoon meetings for men and boys held under the auspices of the Young Men's Christian Association during the past winter and until last Sunday have been discontinued for the summer season.

During the time that the meetings have been a weekly occurrence they have been largely attended and many prominent men of the country have spoken to Fayette county people through the efforts of the Religious Work Committee.

Efforts of the committee will be turned to the boys meetings and the organization will continue intact. Saturday evening street gatherings will also come under the attention of the committee.

Secretary Fraser of the Y. M. C. A. is lining up prominent men as speakers for the mass meetings when they will be resumed the first of October.

HERE'S THE FUEL WITH A KICK

But it's not the kick of the man who pays the fuel bills, for it's real economy—because the kick is in the fuel.

In other words, it's just good old Liberty Gasoline, pure, unadulterated liquid power which delivers miles—and more of them. It is the liquid pep that flattens out grades and dries up mudholes, so far as making them goable to motor cars and trucks is concerned.

When gasoline costs most per gallon is when wise car and truck operators look for more miles in the gallon. Liberty costs no more than just ordinary gasoline.

Your Fellow Motorists and Neighbors are Making Daily Use of Liberty

When are you going to cut loose from the load you are dragging around in wasted fuel and lost mileage? Come, now, there IS a difference in gasolines and we've the proof positive ready to pump right into your gas tank.

MOTOR TRUCK DEMONSTRATION ON LOCAL FARMS

Big Fleet of Motor Trucks in Washington C. H. on April 24th.

Mr. Morris and Mr. Winchester were in our city today in the interest of "Farm development tour" which leaves Columbus on the 19th and will arrive in Washington C. H. at 10 a. m. on the 24th.

While in this city these gentlemen made the necessary arrangements for this big event. A committee of local citizens composed of Mayor V. J. Dahl, Chairman, Nolin Hathaway, Howard Allen, M. S. Daugherty, Chas. McCay, L. H. Goddard, J. M. Cox, M. E. Hitchcock, J. H. Lacy, Willard Wilson, R. C. Shisler will complete the arrangements and handle all details.

This committee and as large a number of local citizens as possible will meet the trucks as they approach our city at 10 o'clock on the 24th. In this fleet will be about twenty-five trucks and sixty men. Upon arrival in town they will be parked on Main street and market street.

After the concert by the band which

accompanies the tour an expert on farm hauling will talk on the different modes of farm transportation. The trucks will then go to a number of farms where they will demonstrate what a pneumatic tired motor truck can do.

Mr. Winchester most emphatically stated that no trucks will be sold or offered for sale. These trucks will be in Washington C. H. Ohio for the sole purpose of showing just what they can accomplish in farm work.

SUFFRAGE MEET HERE ON MONDAY

There will be meeting of the Washington Woman Suffrage Association Monday April 19th at the Y. W. C. A. rooms (Market street) at 3 o'clock. This meeting is for the purpose of discussion of the present status of Woman Suffrage in the United States and of Ohio in particular.

Delegates will be appointed to attend the convention in Columbus May 4th and 5th.

All women are invited to attend this meeting which is of great importance owing to the many questions arising on this vital subject.

FIRM IN BERLIN AFTER BUSINESS

Capt. Chas. Allen of this city, who while publishing "The Horse Journal" took over the "Kentucky Stock Farm," at Lexington, Ky., has received from Berlin, Germany, a post asking advertising rates so that the agent may solicit American business by advertising.

On the address side of the card are two additional stamps in addition to the regular printed stamp, with the words printed in English: "An American office in Germany for the interests of U. S. Manufacturers and U. S. Commerce. Soliciting imports and exports—commissions. Addresses and trade lists, German circular letters, advertising and printing. Advise and information. E. Savor, Berlin N. 65, Mullerstr. 65, Germany."

On the other side of the card, written in English is the message: "Please send me a spare copy of your valued 'Kentucky Stock Farm,' quoting your best advertising rates, and oblige. Yours very truly,

TRUCKS USED FOR TIRES AND TRACTORS

The Ortman Motor Company, realizing the need of obtaining as many tractors as possible to enable farmers to handle their work in better shape, has sent trucks to Dearborn, Michigan to bring a half dozen Fordson tractors to this city at once, thus preventing a delay of unknown length of time if they had waited for the railroads to transport the trucks.

The trucks with the six tractors aboard will reach this city Monday, if nothing unforeseen delays them.

Trucks of the firm also met at Columbus, Friday, trucks from Akron, Ohio, bearing hundreds of auto tires, and brought them to this city, again overcoming the effects of the railroad strike.
